FACULTY WORKSHOPS FALL 2019

Centre for Teaching Excellence

INSTRUCTIONAL SKILLS WORKSHOP

The Instructional Skills Workshop is an internationally recognized program designed to enhance teaching effectiveness of both new and experienced educators. The ISW is an intensive 24 hour peer-based experiential workshop grounded in learning-centered instruction. It counts as a three credit course in the Provincial Instructor Diploma Program (PIDP 3220: Delivery of Instruction). Limited to 12 participants.

Sep. 13, 20 and 27 8:30 am - 4:30 pm

Dec. 16, 17 and 18 8:30 am - 4:30 pm

ACTIVE LEARNING ONLINE WORKSHOP

Join this experiential mini-course on how to elevate active engaging learning experiences in an online environment. Participants will draw upon existing teaching experience as they experiment with a practical online learning activity of their own choice and gain feedback from peers.

Oct.21 - Nov.1, 2019 (2 weeks, online)

TEACHING TRIANGLES

The Teaching Triangles Program offers faculty an opportunity to gain new insight into their teaching through a non-evaluative process of reciprocal classroom observation and self-reflection. The three faculty in each "teaching triangles" agree to visit each other's classes over the course of a semester and then meet to discuss what they learned from their observations. Approximately time commitment is 8 hours.
